

# 2020 SPONSORSHIP FORM

## Hello Potential STING Sponsor!

We are the **Louisville STING** from Louisville, Kentucky! Our STING youth baseball program is a Not-For-Profit 501-c-7 corporation that is made up of kids and athletes from across the Louisville area and its surrounding counties. We have grown our program substantially each year since our inception in 2010. The STING organization is home to nearly 100 players & 8 total teams from the following age groups...6U, 7U, 8U, 9u, 10u, 11u, 12U and 13U. We are super excited about the growth of our organization and can't wait to take the field again in 2020!

The Louisville STING has developed a grand slam reputation in Louisville as a quality baseball organization. Our teams and players are developed based on several key principles including the demonstration of superior sportsmanship on and off the field, as well as the development of individual and team skills. Most importantly, we have FUN and LOVE playing the game of baseball! We are confident and focused. We are hard working, aggressive and talented. We are a special group of players, coaches and families. We are the Louisville STING! And, while being competitive on the field is important to us, it never precedes the standards, objectives and goals mentioned above! That is truly what makes the STING program and organization so special.

We have some lofty goals for our 2020 campaign and would appreciate you considering becoming an **"OFFICIAL SPONSOR"** of the Louisville STING. We can assure you that it would greatly help us achieve our goals for the 2020 season, which includes some hard core training right here in Louisville, as well as traveling across the country to various tourneys to take on some of the nation's best teams and programs. We continue to develop a home practice and game facility at Cedar Creek Baptist Church in Fern Creek, which has allowed us to take our program and players to new heights.

We would love to have you join us on our 2020 season-long journey as we plan to represent Louisville well in everything we do both on and off the field. Make sure that you check out our really cool STING website by visiting [www.louisvillesting.com](http://www.louisvillesting.com) for more info on all our STING players and teams!
